**John and Dawn at JBA Souvenirs Ltd
are proud to announce
the purchase of Celtic Scene Cards**

As of 9th January 2026 we will be the proud new owners of this long established postcard company trading for some 30 years. Claire Sellick and her Husband Stephen Simpson have decided to pass the reigns over to JBA Souvenirs Ltd to carry on their legacy.

Claire has assured us that she is looking forward to having the time to furnish JBA with new images over the coming years as she can now look forward to travelling around the county updating the Celtic Scene range for JBA Souvenirs Ltd

John and Dawn would like to take this opportunity to assure all existing Celtic Scene and future JBA customers that we will continue to give you the same quality of service you always received from Claire and Stephen.

A selection of the full range of postcards we will be offering follow over the next few pages, although we assure you that if your normal postcards are not shown on the following pages, we will have them in the range.

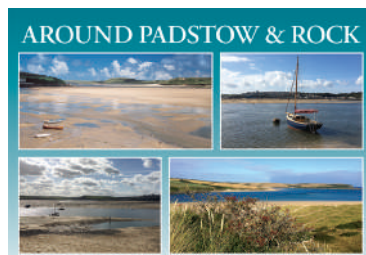

Just ask John when he visits you and he will advise from there.
